Join Los Serenos de Point Vicente in the 2026

COASTAL CLEANUP DAY

Coastal Cleanup Day is an international day of action to protect our oceans, watersheds, and wildlife from trash and plastic pollution. Docents with Los Serenos de Point Vicente will be meeting at Founders Park this year and cleaning up the Rancho Palos Verdes Beach and Ocean Trails Reserve. We invite you to join us in protecting our local beach.

Under the guidance from the California Coastal Commission, Heal the Bay has served as the Coastal Cleanup Day coordinator for all of Los Angeles for over 35 years. By lending a helping hand in this year's beach cleanup efforts you will be taking care of our local marine life, habitats, and the ocean ecosystem.
